

CHARLES DARWIN BICENTENARY

2009 marks the bicentenary of the birth of Charles Darwin who is buried in Westminster Abbey. It also marks the 150th anniversary of the publication of his seminal book *The Origin of Species*.

A series of events in the Abbey, in association with *Theos*, will mark Darwin's anniversaries.

Tickets, which are free, are required for the Darwin Debate and the Gore Lecture. Contact Mrs Gwen Shaw via email: gwen.shaw@westminster-abbey.org telephone: **020 7654 4823**
