

**Cambridge Science Festival**

**Panel Discussion**

UNIVERSITY OF  
CAMBRIDGE  
800 YEARS  
1209-2009

Science  
Festival

# God and Darwin

**Prof. John Hedley Brooke** [previously Andreas Idreos  
Professor of Science and Religion, Oxford University]

**Prof. Simon Conway Morris FRS** [Professor of Evolutionary  
Palaeobiology, Dept of Earth Sciences, Cambridge  
University]

**Prof. Michael Reiss** [Professor of Science Education, Institute  
of Education, London]

**Dr David Summers** [Chair, Dept of Genetics, Cambridge  
University]

**Chaired by Dr Denis Alexander** [Director, Faraday Institute for  
Science and Religion]

**3.00 pm, Saturday 14th March 2009**

**Queen's Lecture Theatre**

**Emmanuel College, Cambridge**

The event, organised by the Faraday Institute for Science and Religion ([www.faraday-institute.org](http://www.faraday-institute.org)), is free and open to all. Each panel member will make a brief introduction to the topic, giving their perspective, before opening the discussion up to the audience for questions to the panel.

The panel discussion will be followed by free refreshments with a bookstall featuring books on Darwin and Religion.
