

‘A gripping read that is hard to put down ...’

Sir John Houghton, *Chairman of the Scientific Assessment Committee of the Intergovernmental Panel for Climate Change*

The Mystery of the Last Supper

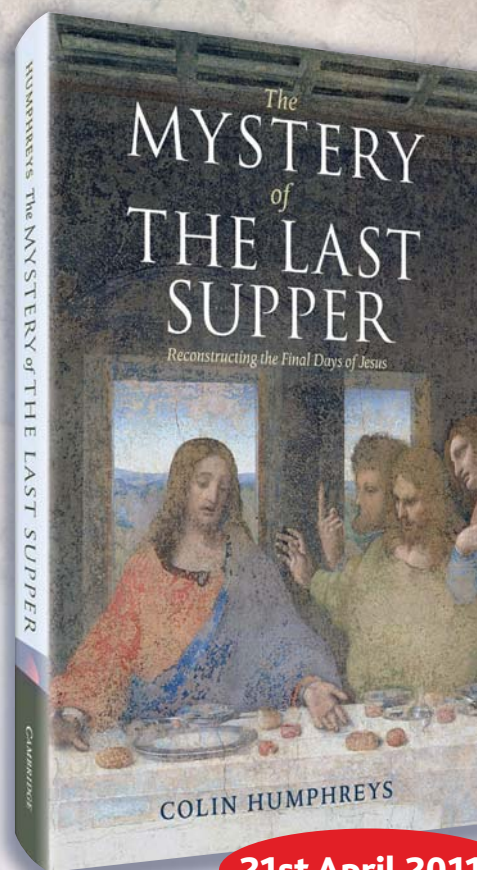

Reconstructing the Final Days of Jesus

Colin J. Humphreys

Paperback 978-0-521-73200-0 £14.99

Hardback 978-0-521-51755-3 £45.00

For hundreds of years, we thought we knew what happened during Jesus' last days. Holy Thursday, Good Friday and Easter Sunday are not only observed by Christians around the world, but are also recognized in calendars and by non-practitioners as commemorating the true timeline of events in the life of Christ. But apparent inconsistencies in the gospel accounts of Jesus' final week have puzzled Bible scholars for centuries. In *The Mystery of the Last Supper*, Colin Humphreys uses science to reveal the truth about Jesus' final days. Reconciling conflicting Gospel accounts and scientific evidence, Humphreys reveals the exact date of the Last Supper in a definitive new timeline of Holy Week.

21st April 2011

“Colin Humphreys’ *Mystery* poses an intriguing detective story...The argument is presented so logically that non-specialists should be able to follow it easily.”

Owen Gingerich, *Professor Emeritus of Astronomy and History of Science, Harvard University and author of God’s Universe*

“A benchmark for future scholarship, it reinforces the veracity of the New Testament record.”

Michael Quicke, *Northern Seminary*

“I would like to commend Colin Humphreys ... on this remarkable book reconstructing the final days of Jesus”

John Sentamu, *Archbishop of York*
