

The Faraday Institute for Science and Religion

Georges Lemaître: Life, Science and Legacy

Rodney D Holder, Simon Mitton (eds)

A volume of essays on the life, work and faith of this great
cosmologist

The papers in this book were first presented at a Faraday Institute conference held in Cambridge in April 2011 to mark the 80th anniversary of Georges Lemaître's primeval atom model of the universe, forerunner of the modern day Big Bang theory.

Published by Springer for the Royal Astronomical Society.

Available from the Faraday Institute on-line shop (ISBN 9 783642 322532).
